Case No. 7:08-cv-90028-HL

704CR-5

Dear Clerk:

In May 2010, I filed objections to the Report and Recommendations of United States Magistrate Judge Mallon Faircloth dated May 6, 2010. ("R&R").

While I had been given counsel for the Section 2255 evidentiary hearing and related matters, such counsel was not in the position to object comprehensively to the R&R.

Now that the evidentiary hearing has been conducted and related memoranda have been filed, I reasonably assume that I am again pro se.

Consequently, please amend the record and notice file to reflect this. By copy of this letter, I am confirming with evidentiary hearing counsel that my understanding and desire is to now proceed pro se.

Please let me know if I need to file any other document to achieve this pro se objective.

Thank you for your courtesy and assistance.

Very truly yours,

*Michael Williams*
